

## ♥ To Our Stag Fam ♥

We sincerely appreciate your support. This situation has certainly brought on some challenges but we are determined to rise to the occasion with a positive attitude and high level of professionalism.

Please be patient with us as we are a bit overwhelmed with calls and emails.

As we reopen the shop, the safety of customers and staff is our top priority. We ask that you please follow the following guidelines.

---

**By Appointment Only:** We are not accepting any walk-ins at this time. Please call the shop to schedule as our online booking is currently unavailable.

**Liability Waiver:** Prior to your appointment, please e-sign the liability waiver sent with your confirmation (click "fill form" below the confirmation button).

**Masks:** Please wear a mask to your appointment. Masks are required to receive a service. If you do not have one, we will have them available for a small fee. 😊

**Go Stag:** Please come alone to your appointment. Our waiting area is closed. Please do not bring extra guests or children. Anyone not receiving a service will have to wait outside or in the car.

**Stuff and Things:** Please bring only essentials with you like your keys, wallet and glasses.

**Clean Hands:** Hand sanitizer will be available upon arrival. Hands must be washed or sanitized prior to receiving a service.

**Check-In:** Check in at the desk per usual and we will let you know where to wait if your barber is not ready.

**Touchless Checkout:** Please prepay, use a gift certificate, or put your credit card on file for hands-free checkout. We will not be accepting cash for services or gratuities at is time.

**Pre-game:** Sadly, our beverage service is suspended until further notice so please come well hydrated. This means no beer. 🍷

**Facial Hair:** We are not offering beard trims, mustache trims or face shaves at this time. We will send out an update when we bring these services back.

**Pre-Booking:** Due to extreme barber schedule changes we are currently only booking one appointment in advance.

**Young Gents:** Masks are required. We are not accepting any children under the age of 5 until further notice. Only 1 parent may be in the shop with the child receiving the haircut.

**Not Feeling Well?:** Please cancel your appointment if you are sick, have a fever, coughing, have severe allergies or have been in contact with someone with Covid-19 within 14 days of your appointment. 🤒

**Cancellations and No Shows:** Please allow at least a 6 hour notice when canceling your appointment to avoid charges. Last minute cancellations and no shows will be charged 100% of the service fee.

---

We look forward to seeing you!  
Thank you for your patience and thanks for coming back!
